Tennis Club Activities

The tennis this year under the instruction of Miss Lula Higgins has created rather an interest among the students and outsiders as well. Of course, we do not wonder at this fact after the interest that our first successful Tennis Club created. There were in all, sixty members of this club, forty-five of whom were boys. At the first meeting the following officers were elected.

President	Jack Neal
1 st Vice President	Louise Cezeaux
2 nd Vice President	Lois Eddins
Secretary	Jacie Linthicum
Treasurer	Dorothy Gallaher

Each player, if passing in the required subjects, was given the privilege of playing one vacant period each during school hours. After many weeks of hard work Dorothy Gallaher, Jacie Linthicum, Jack Neal, and Haywood Hill were selected as players in tennis doubles, while Mary C. Spencer was the girl for singles, and Jack Neal the boy.

To our misfortune, our boys, both singles and doubles, lost to Rosebud at Chilton.

The girls, however, were victorious. Our star player, Mary C. Spencr, went to Austin, defeating Waco at the district meet. She was very unfortunate at Austin in drawing the Uvalde player, who defeated Mary in the preliminaries.

Jacie and Dorothy were not able to go to Waco but we feel sure if they had gone they would have accompanied Mary to Austin.

It might be interesting to note that every one of the tennis players who went to the county meet were from the Junior Class of '25.

We hope that next year they will take new hope and that the girls do as well as they have done this year. We are sure they will, however, if still under the supervision of Miss Higgins. Her good work and faithfulness was appreciated by the authorities as well as by the students.
