IN APPRECIATION TO J. LEVINSKI CO.

As we all know, the Latin department of the high school reaped many honors at the Latin tournament at Waco, April 1. One of the grand prizes brought home was a beautiful silver loving cup given to the Junior division of the Marlin High Latin department for making the highest grade in the Cicero contest. This cup was given by the J. Levinski Co. of Waco, and we take this opportunity to express our appreciation to them for it. We thank them not only for the cup itself, but also for their interest in the Latin work throughout the district, and for their efforts to encourage Latin students. We wish there were more like the Levinski Co.!!
