BASEBALL

The baseball season has not been completed thus far, but a great deal of credit goes to the boys and to Mr. Mayhew, the coach. The boys whose pictures appear on the opposite page are those who have gained the victories for us so far. Two other players of note are "Curley" Steele and Gabe Simmons. "Curly" is outfielder, and Gabe is catcher. Their pictures do not appear due to an accident. With the wonderful progress made thus far, we are sure that by the end of the year the baseball team will have achieved even more.
