it run into "Buz" Louise

TRACK EVENTS

The track events of the county were held at Lott on Saturday, March 27. Nearly all of the schools of the county were represented and thus competition was very keen. However, Marlin emerged the victor. B. A. Pierson was high point man, his score being 23. He won first place in high jump, broad jump, discus and 220-yard dash. Sudberry was first in the mile run and Sebesta came out victorious in the half mile and in the javelin. Leach and Krumnow were the victors in the 440-yard dash and in the shotput, respectively. Although Marlin won in county, she did not place so highly at District. Sebesta received second in javelin and Sudburry third in the mile race. Regardless of the defeats, we are very proud of the contestants.

Ernest Maxwell and Millard Turner won out in tennis at County, but were defeated at District. Rachel Maxey received second at District, but Alice Maffet Glass and Mary Grizzard failed to place quite so high. Nevertheless, we are justly proud of our tennis "stars" and are expecting great things of them next year.
