

[Lynn Chase](#) has generously transcribed the index card file located at the Franklin Public Library and is offering to do look ups.

Lynn will be happy to give free email information for the cards that have little information on them. Other cards that have news articles or obits attached to them will need to be photocopied and mailed. The cost for these copies is **\$1.00 per name and a SASE**. Please contact Lynn and she will let you know up front if there is only a little information that she can just email you, or if there is a lot of information and how many copies it will take.

Thank you [Lynn](#) for making this valuable Franklin County resource available to us all!
