

family was enumerated in the 1880 Manatee County Census, Fort Green precinct. The 1900 DeSoto County Census listed Archibald, Elizabeth and William A. Hendry in household 94, Fort Green precinct.

The Hendrys were members of Fort Green Methodist Church. Two of Arch's sons, John A. Hendry and Archibald B. Hendry, were Methodist ministers although the latter's ministry was short lived due to his early death. Rev. John A. Hendry served missions at Lake Worth and Volusia and churches at Appalachicola, Starke, Lakeland, Bradenton, Madison, Ocala, Quincy, Hampton, Plant City and Fort Pierce.

In April 1891, Archibald applied for an invalid pension from service in Co. B, 2nd Fla. Cav. His claim was based upon an accident of which J. M. Altman described in an affidavit on July 13, 1894:

On the 14th day of July A.D. 1888, I saw A. W. Hendry driving on the road from Ft. Green, Fla. to Bowling Green, Fla., when about 2 3/4 miles from Bowling Green the team of horses which the said A. W. Hendry was then and there driving, suddenly became frighten and runaway, throwing Mr. Hendry from his buggy. I immediately caught and teed the team and went to Mr. Hendry, who seemed to be suffering very greatly from bruises and bodily injuries, having his leg broken.

I think the cause of the team becoming frighten was the dislocation of a small bolt from one side of the buggy, thereby causing the tongue to drop.

His claim was approved under certificate no. 925642. Records as provided by the National Archives do not specify exactly when he became eligible for a pension but at his death he was receiving \$38 per month. It should be noted that 1845 was given as his birth in his pension records, but all other sources cite 1846.

Elizabeth Hendry died June 10, 1912. Archibald W. Hendry died June 1, 1920. They are buried in Fort Green Methodist Cemetery.
